

G-Tek® KEV™

Seamless Knit Kevlar® Blended Glove with Foam Nitrile Coated Grip on Palm & Fingers - 18 Gauge - Touchscreen

- Seamless knit construction provides comfort without sacrificing dexterity
- Kevlar® fiber shell provides high tensile strength relative to its weight, is inherently cut and heat resistant, and will not melt, ignite or conduct electricity
- Foam Nitrile coatings are breathable and durable, designed with a cell structure that disperse fluids on contact for an improved grip
- Touchscreen compatible, allowing users to operate a touchscreen device without removing gloves
- Reinforcement between thumb and forefinger improves cut resistance and extends glove life in an inherently weak area
- Knit Wrist helps prevent dirt and debris from entering the glove
