### ■ Description:

The C2V Omni FLX 2154G features a Premium 15-gauge, gray, nylon/spandex shell with a Black, Micro-Foam Full Coating, a synthetic rubber that can withstand oil, abrasion, snag and puncture. Additionally, we added nitrile dots for maximum grip. The gloves are highly dexterous and provide a high level of touch sensitivity. If you are looking for amazing fit and grip, check out the Omni FLX 2154G.
