| Sizes Available      | OS                                                                                                                                       |
| Packaging            | Bagged Each                                                                                                                              |
| Packed               | 10/Case                                                                                                                                  |
| Case Dimensions (cm) | 58.50 x 24.00 x 45.50                                                                                                                    |
| Case Weight (kg)     | 5.00                                                                                                                                     |
| Country of Origin    | United Kingdom                                                                                                                           |
| Shell Material       | HDPE                                                                                                                                     |
| Shell                | Non-Vented                                                                                                                               |
| Brim Style           | Cap Style                                                                                                                                |
| Brim Length          | Standard                                                                                                                                 |
| Size Adjustment      | Wheel Ratchet                                                                                                                            |
| Suspension           | 6 Point Polyester                                                                                                                        |
| Chin Strap           | --                                                                                                                                       |
| Sweatband            | Chamlon                                                                                                                                  |
| Construction         | --                                                                                                                                       |
| Certifications       | ANSI/ISEA Z89.1, TAA Compliant                                                                                                           |

## Evolution® Deluxe 6151

Cap Style Hard Hat with HDPE Shell, 6-Point Polyester Suspension and Wheel Ratchet Adjustment

- High-Density Polyethylene (HDPE) shell designed with five raised channels running across the top for strength, and an extended back area for extra protection
- 6-Point polyester textile suspension system offers unrivaled comfort without compromising performance
- Unique "3D Adjustment" provides a precise fit using harness depth settings unlike any other hard hat on the US market today
- Revolution™ Wheel Ratchet is easy to use and creates a firm comfortable fit
- Chamlon™ sweatband
- Universal accessory slots accepts virtually any competitors' accessories
- **WARNING:** Reproductive Harm - [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov)

## Applications

- Construction Applications
- Road Work
- Excavation
- Industrial Applications

## Performance Data

|                  |        |
|------------------|--------|
| ANSI Type        | Type I |
| Electrical Class | E      |

## Care Instructions

The unit may be cleaned with soap and warm water and dried with a soft cloth. The helmet should not be cleaned with chemical or abrasive cleaners. The helmet should be stored out of direct sunlight, away from chemicals and not exposed to extremes of temperature.
