The Chill-Its® 5152 Insulated Stainless-Steel Water Bottle is a durable and portable solution to keep you hydrated both on and off the job and in any climate.

With its sweat-free, double-wall insulation, this reusable water bottle keeps your cold drinks cold (up to 24 hours) and hot drinks hot (up to 12 hours), and can be out in the cold for hours without freezing.

A sleek ergonomic design means it fits into most standard cup holders for easy single-handed use. The durable and leak-proof DualCap opening has a wide mouth for filling with ice, and a smaller spout to control the flow for drinking.

Available in orange or black, this insulated water bottle is a necessary addition to your work day, daily commutes, and active lifestyle. A perfect option for people working outside needing a temperature-controlled thermos-style bottle to use in hot or cold climates.
