

Premium Solid Nitrile Fully Coated Two-Piece Jersey Gloves with Rough Finish

DESCRIPTION

These general purpose gloves have a two-piece shell. The back of the hand is brushed jersey and the palm is terry cloth. The two-piece shell is fully-coated with premium solid nitrile with a rough finish. Features a safety cuff for extra protection and easy donning and doffing. These gloves comply with FDA regulations for food contact and are anti-static/electrostatic compliant for use in an ESD protected area.
