

Technical Data

Color	Brown
Sizes Available	M8-M14
Packaging	Boxed
Packed	10 Pair/Case
Case Dimensions (in)	26.38 x 25.20 x 14.76
Case Weight (lbs)	60.96
Country of Origin	China
Footwear Height	High
Footwear Insole	evercushion BA+
Footwear Width	D
Gender	Men
Material	Leather
Toe Type	Composite
Construction	Waterproof, Slip Resistant
Certifications	ASTM F2413-18
Product Circularity	--

PUMA® Safety

Conquest Brown CTX HIGH Composite Toe
Impact Resistant Toe Cap, COA.TEX-Membrane,
Electrical Hazard protection, Water Proof, Safety
Boots

- **RUBBER OUTSOLE** - It is obvious that the heavy duty pattern of this hard-wearing, up to 572°F heat resistant HRO rubber outsole has been designed for optimum safety and performance, even on unsecured grounds. A stabilizing shank is integrated in the midsole.
- **PU MIDSOLE** - The direct attached lightweight PU midsole gives underfoot cushioning, shock absorption and insulation from uneven ground.
- **SCUFF CAP** - Over-the-toe extra high scuff cap for wearers who kneel a lot in their job.
- **CTX® WATERPROOF MEMBRANE** - We use an extremely durable water resistant and breathable high-tech CTX® membrane. Its microporous fabric structure protects feet from stagnant moisture.
- **ZIPPER** - The YKK zipper is used on the 7" side zip styles and enables an easy putting on and taking off. The closed dust flap behind the zipper stops the penetration of dirt and moisture and prevents from unpleasant pressure points.
- **EVERCUSHION® BA+** - Maximum performance for your work shoes. The contoured evercushion® BA+ footbed follows the shape of the foot and ensures a natural position, pressure relief and muscle stimulation. It is made of two layers of breathable foamed polyurethane in different densities with extra cushioning material in the critical heel and ball area for superior shock absorption. An odor-resistant, sweat-wicking and non-slippery fabric covers the whole footbed. Excellent comfort and support to get your job done.

Performance Data

ASTM F2413 Requirement	--Compression Resistance--
	Electrical Hazard Resistance--
	Impact Resistance--

Care Instructions

Hand Wash
