The Chill-Its® 6605 High-Performance Headband is made with Hi Cool® moisture wicking technology to keep workers comfortably cool and dry on hot days. The Hi Cool® performance fabric wicks moisture for quick drying, while the absorbent terry cloth sweatband prevents sweat from dripping into eyes.

This low-profile cooling headband can be worn alone or under a hard hat. One size fits most, the back features elastic that stretches to comfortably fit a variety of head sizes. Machine wash as needed and hang to dry.

Ideal for construction, landscaping, roofing or anyone working in the heat. It is also a great headband for running, hiking and other recreational activities.
