

6871

WINTER HARD HAT LINER W/ MOUTHPIECE KIT

The N-Ferno® 6871 Winter Hard Hat Liner w/ Mouthpiece Kit includes a winter hard hat liner with 2 layers of insulation and a thermal mouthpiece attachment for full face coverage. The lightweight thermal liner is shoulder-length and fits comfortably under helmets or hard hats without feeling too bulky. Both the liner and mouthpiece have a breathable 100% cotton twill outer shell and soft 100% polyester fleece lining.

Features

- KIT INCLUDES – N-Ferno® 6852 Fleece-Lined Winter Hard Hat Liner w/ Cotton Shell and N-Ferno® 6870 Thermal Fleece-Lined Mouthpiece w/ Cotton Shell
- 2-LAYER LINER + MOUTHPIECE – 100% cotton twill outer shell + 100% polyester fleece lining
- LIGHTWEIGHT – Fits comfortably under helmet or hard hat
- ELASTIC FIT – Elastic gather at forehead closes the gap between liner and forehead to keep heat in and cold out
- HARD HAT ATTACHMENT – 4 straps on the outside of liner attach to hard hat or helmet suspension
- SLOTS FOR WARMING PACKS – Pockets by ears to hold hand warmers (sold separately)
