BALACLAVA FACE MASK WITH ZIPPER

ITEM #	SIZE	COLOR
16893	—	Black with Universal Bump Cap Insert (kit)
16894	—	Black (only balaclava)

N-Ferno® Balaclava Face Mask with Zipper for Bump Cap Insert is a soft fleece balaclava that comes with or without our Skullerz® 8945 Universal Bump Cap Insert for warmth with head protection for cold winter work. Made from stretchable polyester fleece for a comfortable snug fit that traps heat for added warmth in extreme conditions. Reflective accents enhance visibility in low-light work conditions. The long length covers the neck for added warmth and wind protection. This warm, full face mask features a zipper that you can open to insert our Skullerz® 8945 Universal Bump Cap Insert, turning it into a protective, yet warm winter face mask. It helps protect against bumps, scrapes, bruises and other minor head injuries.
