The Chill-Its® 8936 Ranger Hat provides lightweight, breathable head and face shade for working in the sun. This sun hat is rated to UPF 50+ for protection from harmful UV rays and features a wide brim that can be worn down or snapped up and out of the way. Mesh side vents maximize airflow, and a moisture-wicking sweatband keeps sweat out of eyes to keep workers cool and comfortable. Includes breakaway drawstring chin cord and adjustable cinch cord in back for a custom, secure fit.

This sun protection hat is available in two sizes (S/M, L/XL) to fit a variety of face and head sizes. Ideal for those working in hot environments where shade is needed, including agriculture and landscaping. Can also be used for outdoor recreation such as hiking, fishing or gardening.
