9679 Memphis Dipped Specification Sheet

PRODUCT DESCRIPTION:

The next generation of gloves requires the next generation in manufacturing. MCR Safety's state-of-the-art manufacturing facility produces premium NXG® brand gloves with advanced coatings, utilizes 21st-century manufacturing efficiencies, and does so with environmentally friendly production methods. Our NXG® styles are well suited for Multi-Industrial applications that require high dexterity and comfort and are manufactured on seamless knit liners that are flat dipped to reproduce the natural curved shape of the hand. As a result, workers benefit from less hand fatigue and greater productivity while performing detailed tasks to heavy duty jobs. The 9679 features a seamless 13 gauge white nylon shell and gray nitrile coated palm and fingertips that will enhance gripping power. If you are looking for the best work gloves, be sure to check out MCR Safety's NXG® options! To learn more, [visit our NXG® landing page here.](#)
