

**BULLHEAD SAFETY® EYE PROTECTION****BH14209****BH14G**

Optional removable flame resistant foam gasket available for all Maki® safety glasses.

*Optional see below

LENS Blue Mirror Polarized**FRAME Silver Inlay****DESCRIPTION**

The fashion sport inspired design of the Maki® safety glasses can be combined with the optional removable closed cell EVA foam to protect from airborne particles and debris. It also has dual injected TPR temple ends and embedded rubber nose pieces to ensure a slip free fit in any environment. This model features polarized precision lenses, which filter out bent light waves reducing glare, eye fatigue, and decreasing reflection off surfaces such as water, sand, and snow.

BH14G - optional removable flame resistant foam gasket available for all Maki® safety glasses.
