LENS Variable Tint Performance Fog Technology

FRAME Matte Black

TECHNOLOGY

All Bullhead Safety® Eyewear is made from 100% virgin materials.

DESCRIPTION

The Sawfish™ is an ultra-light, full-frame design that boasts chiseled lines and sleek curvature. Featuring inset TPR on the nose bridge and temple ends, the Sawfish™ is truly adaptable to any environment. The BH26613PFT also features a PFT lens. Thanks to its chemical and physical properties, Performance Fog Technology is a permanent coating that prevents the formation of condensation on the lenses by absorbing the humidity drops.

BH26G - Optional foam gasket for all Sawfish™ styles.

FEATURES

- Variable tint lenses darken when exposed to UV light (outdoors) and return to original tint when UV light is removed (indoors)
- Lightweight full frame design Inset TPR nose bridge and temple ends
- Meets ANSI Z87.1 high impact standards
