SQUIDS® 3026 ACCESSORY PACK RETRACTABLES - LOOPS

- **MADE TO SECURE HAND TOOLS** – Choking loop made with an energy-absorbing cord and tubular nylon webbing connects to tools weighing up to 2lbs / .9kgs
- **TETHER MULTIPLE TOOLS** – Modular connecting buckle to quickly exchange tools
- **Compatible with Squids® 3001 retractable lanyards**
- **THIRD PARTY CERTIFIED** – Meets a 2:1 safety factor
- **TESTED & APPROVED** – Third party certified to meet the ANSI/ISEA 121-2018 Standard

The Squids® 3026 Retractable Tool Lanyard Accessory Pack includes 3 tails with choking loop attachments designed to mount to the Squids® 3001 Retractable Tool Lanyard for quick and easy exchange of multiple tools to prevent falling objects when working at-heights.

These retractable lanyard attachments feature choking loop attachments made of energy-absorbing cord and tubular nylon webbing to connect to hand tools weighing up to 2lbs / .9kgs.

Using a retractable safety lanyard limits the potential snag hazards compared to standard lanyards. All tool lanyards are built to withstand defined weight limits and are easy to use by any worker to avoid accidentally dropped objects that could cause unwanted damage, injuries, or possibly death. Safety lanyards are a part of an overall fall protection plan to reduce the risk of falling objects and increase workplace safety. When working at-heights it's critical to tether tools.

TESTED & APPROVED

Tested and qualified to the ANSI/ISEA 121 standard, these retractable safety lanyards have no equal. All tool lanyards are built to withstand defined weight limits and are easy to use by any worker to avoid accidentally dropped objects that could cause unwanted damage, injuries, or possibly death. Safety lanyards are a part of an overall fall protection
