ProFlex 380 Standard Foam Kneeling Pad - 1in

FEATURES

- DURABLE FOAM PADDING – Made with high density, thick NBR foam rubber that will not compress over time, protecting knees against hard surfaces
- LIGHTWEIGHT AND PORTABLE – Kneeling pad is lightweight and has a built-in handle making it easy to carry and transport and convenient to hang and store
- LIQUID RESISTANT – Water resistant and petroleum resistant construction make it perfect for everything from bath time to work in the garage
- MULTIFUNCTIONAL – Use to support pressure away from other areas; cushion elbows, shoulders, hips and other body parts when working in tight, constrained, twisted postures
