

Workrite®
FIRE SERVICE

CLASSIC FIREFIGHTER PANT

Firefighters face potential unknown thermal exposure on any job. Unlike typical cotton or poly cotton station wear, Workrite® Fire Service station wear provides extra peace of mind and offers FR protection in every situation... even the unexpected. Our Classic line is made with Nomex® IIIA-brand fabric and autoclaved with our proprietary PerfectPress® process so that Workrite® Fire Service Firefighter pants give you a professional appearance that lasts. Our full cut pant features a looser fit through thighs and seat for added comfort.

FP50
