Bizflame™ Knit

This smooth, high performance interlock knit is made from 100% FR cotton or the new 98% cotton, 2% antistatic option. The fabric offers superior strength and a lightweight feel. Guaranteed flame resistance for the life of the garment ensures value and peace of mind. Bizflame Knit offers outstanding protection against electric arc with a minimum ATPV rating of 10 Cal/cm², this exceeds the requirements for ARC2 clothing.

Flame Resistant

This industry leading flame resistant range provides multi-standard protection for hazardous environments. These state of the art products are the result of years of experience combined with advanced technology and market research. Commitment to the health, safety and comfort of the wearer can be seen in the wide range of products suitable for all climates and end uses.
