Product information

The FT18 Compositelite Wire Lace safety sneaker is a showstopping addition to our new performance line of footwear. The wire-lace system allows faster lacing and release from the footwear, enabling quick access and changeovers. The wire-lace system also adds a more supportive, even fit to accommodate varied foot shapes. This model has a full leather and suede upper enabling excellent abrasion results and premium quality.

Steelite®

A premium range of safety footwear manufactured using the finest materials and components. Steelite® footwear contains protective steel toecaps and/or steel midsoles. The steel components provide outstanding protection from high impacts and compression.
