 Product markings may vary. Refer to the product sheet for the most current test report results.

### Glove Sizing

The color of the binding around the cuff indicates the glove size.

|            |             |            |               |                |
|------------|-------------|------------|---------------|----------------|
| Small<br>7 | Medium<br>8 | Large<br>9 | X-Large<br>10 | 2X-Large<br>11 |
|------------|-------------|------------|---------------|----------------|

All sizes comply with EN ISO 21420 for comfort, fit and dexterity. Only wear the correct size for your hand. Gloves that are too loose or too tight will restrict movement and will not provide the optimal level of protection.

### Packaging

|                          |
|--------------------------|
| Pack: 12 pair            |
| Case: 120 pair           |
| Country of Origin: China |
