

Bullhead Safety® Cooling

High-Visibility Evaporative Cooling Vest

Cooling Comfort • ANSI Class 2 • Silver Reflective Material

ANSI
CLASS
2

ITEM **GLO-CV1**

FEATURES

- Material absorbs, stores and releases water within a multi-layered fabric
- Provides extended cooling comfort and heat stress prevention
- Silver reflective material enhances low-light visibility
- Mic tabs on shoulders
- Zipper closure
- ANSI Class 2 Compliant
- ANSI HVSA Type R

Activation instructions:

- Soak vest in cool water for 2-5 minutes
- Blot out the excess water gently
- Enjoy cooling relief for several hours
- Reactivate by submerging in cold water as needed

DESCRIPTION

This high-visibility yellow/green cooling vest is constructed with proprietary cooling polymers in a multi-layer construction to help dissipate hot moisture quickly. Each item is individually hang-tagged for retail sale.
