

FROGWEAR® SAFETY WEAR

Lightweight High-Visibility Yellow/Green Elastic Traffic Safety Sash

ITEM GLO-ES1

SIZES ONE SIZE

DESCRIPTION

This simple, yet effective, safety sash provides added visibility to workers that are not required to wear ANSI approved safety approval. The X-back design provides an easy way of identifying a worker who has fallen due to gas poisoning or lack of oxygen while in an underground situation. It also helps distinguish if a worker is facing your direction or walking away.

Each item is individually packaged in a polybag for retail sale.

FEATURES

- Made with elastic and polyester for extra comfort
- High-visibility yellow/green
- Adjustable elastic waist and chest
- Silver reflective material enhances low-light visibility
- X-back design allows for easy identification
- Non-ANSI compliant
