

HIGH VISIBILITY

RIPSTOP RAIN GEAR

LUX-RSLTJ

THE BEST COMBINATION OF BREATHABLE, LIGHTWEIGHT
AND HEAVY-DUTY RAIN PROTECTION

NEW

**150D
RIPSTOP
PU COATING**

Made from 150D Ripstop with PU coating, this rainwear is engineered for superior resistance to ripping and tearing while still being light weight with excellent waterproof construction. And it is made from the most updated PFAS Assessed fabrics on the market.

- **Weather Protection** - Built from tough 150D Polyester Oxford Micro Ripstop with breathable & waterproof PU coating - exceptional durability, protection from the elements and superior performance in the rain.
- **Breathability Matters** - Breathable PU coating. Test method ASTM E96. Allows moisture vapor to escape, preventing you from feeling clammy and uncomfortable during exertion.
- **Sealed Seams** - A tightly woven fabric with sealed seams to help block the rain and ensures you stay dry & comfortable.
- **Fit and Adjustability** - A well-fitting raincoat providing enough room for layering underneath without compromising mobility.
