

HIGH VISIBILITY OUTERWEAR

5-IN-1 SYSTEM X-BACK PARKA

LUX-TJFSX

NEW

VERSATILE WATERPROOF PROTECTION

Engineered as a comprehensive all-weather work jacket featuring a Fleece-lined Class 2 inner jacket with zip-off sleeves. This 5-in-1 System Jacket provides maximum adaptability with five different garment configurations for changing weather conditions including snow, wind and rain.

- **Versatile System Jacket** - Multi-purpose system jacket. Freedom to wear multiple ways and adapt to your level of comfort alongside the weather's unpredictability. Perfect for transitional seasons and year-round changing climates.
- **Reliable Warmth & Weather Protection** - Built from tough 300D Polyester Oxford with Waterproof PU coating-offering protection from the elements with quilted insulation for warmth.
- **Block out the Elements** - A tightly woven fabric with sealed seams to help block the elements and ensures you stay warm, dry, & comfortable.
- **X-Back Safety Gear** - A game changer in worker safety. Helping moving vehicles or transportation spot and identify the direction a worker is facing.
