Memphis (MP1)

Safety Glasses

Plus Series

Specification Sheet

PRODUCT DESCRIPTION:

MCR Safety's Memphis Series safety glasses are not only designed for your safety, but also for exceptional comfort. The bayonet style temples are made of a soft and flexible TPR material that provides a great fit for most individuals, regardless of their facial profile. This series features polycarbonate lenses that block 99.9% of UVA, UVB, and UVC rays and a wrap around lens design for an unobstructed view and outstanding coverage. The flexible TPR nose pad and temples not only make this one of our most comfortable options, but also helps grip or hold these safety glasses in place. The MP112G features our Gray G14 lenses that block out much of the blue light, creating more visual clarity and providing the wearer with more natural looking vision when compared to regular gray lenses. Looking for the best safety glasses? Look no further, choose MCR Safety!

FEATURES:

- Sporty, lightweight sunglass design frame that all industrial workers love to wear
- Polycarbonate lenses provide 99.9% UVA/UVB/UVC protection
- Soft, flexible TPR temples and nosepad for added comfort
- Gray G14 lens color increases clarity and contrast while reducing glare and eyestrain
- Single lens, wrap-around design for unobstructed view
- Passes ANSI Z87+ standards
- Cord included

TECHNICAL DATA FOR: MP112G

Series	Memphis (MP1)
Category	Safety Glasses
Scratch Resistant	Yes
Frame Material	Polycarbonate
Packaging	White Inner Box

ANSI Z87+ Yes

Case Pack 144

Case Weight 14.463 lb.
