Lifeline Anchor Connector	Zinc-plated Steel Miller 5K® Snap Hook

Miller® TurboLite+ T-Bak™

Twin Self-Retracting Lifeline, Vectran™ Webbing, Aluminum Connector, Zinc-plated Steel Miller 5K® Snap Hook

- Twin models provide 100% tie-off connection for enhanced safety
- Designed for tie-back applications, eliminating the need for separate anchorage connectors
- Durable design features abrasion-resistant Vectran™ core webbing and high-impact resistant nylon housing
- Shock-absorbing connector system simplifies installation and tie-off
- Integral swivel reduces lifeline twisting
- Miller 5K® Locking Snap Hook ensures secure tie-back with 5,000 lbs gate load capacity
- Improved UV-resistant, scratch-resistant labels with enhanced graphics for better user experience
- Meets OSHA, ANSI Z359.14-2021 Class 1, and CSA standards
- Supports up to 420 lbs per OSHA standards
- This product is ideal for professionals working at height, ensuring maximum safety and efficiency
