

HEAD PROTECTION

Premium, Multi-Function, Cooling Neck Gaiter, Underwater Wildlife Design

DESCRIPTION

This lightweight, tubular, cooling neck gaiter is designed to be worn in multiple different ways such as a face guard, beanie, balaclava, head band, hair tie, helmet liner, and much more, making it extremely versatile. It provides protection to the neck, face, head, and ears, from the sun, wind, insects, and dust. It also helps keep skin cool and comfortable which aids in maintaining hydration. Each item is individually hang-tagged.
