

Heavy Protection Lightweight Comfort

Breathable Eagle™ Polyurethane On Nylon Suit For All Day Comfort and Wear

The most lightweight and comfortable suit we make, the Eagle Suit is made of 200 denier nylon and coated on the inside with polyurethane.

- Breathable. Test method ASTM E96.
- Interior polyurethane coating and exterior DWR (Durable Water Repellency) coating for 100% waterproof protection.
- Stitched and taped seams for 100% waterproof protection.
- Non-conductive, non-corrosive snaps and buckles.
- Generously cut to fit over the heaviest of work clothes.
- Mildew resistant.

Ideal Applications: Food Processing, Sanitation, Forestry, Sewer & Water Works, and Agriculture.
