PD1901

Predator Mechanics Gloves

Mechanics Specification Sheet

PRODUCT DESCRIPTION:

Do you need excellent grip, dexterity and serious protection? Just like your 35" mudslinging truck tires which protect you from hazards in the woods, grab a pair of the Predator™ powered tire tread silicone gloves to face the grit-n-grind on the job site! The MCR Safety Predator® mechanics gloves will give you the grip, durability and protection you need to handle anything the job throws your way. The PD1901 is a fingerless "TaskFit" design that features a hook and loop cuff. It also features a super stretch knuckle region for greater flexibility, a premium black leather synthetic palm with red silicone tire tread pattern grip.

FEATURES:

- "TaskFit" Designed Fit
- Super Stretch Knuckle Region for Greater Comfort
- Premium black synthetic palm with red silicone tire tread pattern grip
- Black spandex back with breathable fourchettes
- Hook and loop closure with ID panel
- Abrasion resistant gloves
- Fingerless

APPLICATIONS:

Agriculture, Automotive , Carpentry, Construction, Demolition, Farming, Landscaping, Manufacturing, Material Handling
