Please note: Wave Wash fabric has a Cotton/Polyester Blend face yarn. Please do your own testing prior to screen printing.

When printing on our Camo Colorways it is important that the garment DOES NOT reach 320 Degrees when flashing or drying. Wave Wash Camo Colorways are a Water Based Print on a Cotton/Polyester Blend fabric surface. At 320 degrees you risk ink migration to your print. To be really safe some printers use a Poly Blocker base, and low temperature curing inks to stay away from 320 degrees.
