HI-VIS BOMBER HANDWARMERS

ANSI/ISEA 107-2020 Type R Class 3

BOMBER JACKET

Stay visible and warm in this jacket and vest combo that can be worn three ways:

- (1) as a Type R Class 3 stand-alone wind and rain-resistant bomber jacket
- (2) as a Type R Class 3 winter jacket with the heated vest zipped in
- or (3) as a heated vest by itself.

For enhanced warmth and comfort, the vest's battery-powered system delivers up to ten hours of heat with three adjustable heat settings to customize your warmth. Crafted from durable polyester, this versatile jacket features two lower hand warmer pockets and an internal pocket for the 7.4V battery.

It's the perfect choice for roadway work, construction sites, and cold job sites.

HAND WARMERS IN CAMO AND BLACK

Radians' heated hand warmers offer hours of warmth and comfort with or without gloves. Great for chilly and cold conditions, its battery-powered system delivers up to ten hours of heat with three adjustable heat settings to customize your warmth.

With a no-noise polyester outer shell and a cozy fleece lining, our hand warmers feature two zipper accessory pockets for storing your phone, keys, and other essentials.

It also has an exterior pocket for the 7.4V battery and a strap with an accessory hook. Available in camo and black, it's practical for any outing where you need to keep your hands warm, including fishing, hunting, sporting events, or adding warmth between work tasks.

Camo version has tab to cover heat button, blocking light from your prey's vision.
