The combination of Radians new tether vests and retractable tethers give you everything you need to conveniently access and secure tools and accessories. This helps avoid tool drops, which can also be dangerous to others if you're on scaffolding or ladders. Available for a variety of items you need on the jobsite.

- Attaches gear to retractable cords for improved drop safety
- Quick Connects allow easy removal
- Pivoting ball connection reduces cable wear
- Versions available to fit various tools and accessories
- Works with Radians new specially designed tether vests
