This surveyor tether vest takes functionality and convenience to the next level with grommated pockets, D-rings, and a heavy-duty zipper. The grommated pockets are specially designed to contain retractable tethers within the pocket. You have everything you need to conveniently access and secure tools and accessories, which helps avoid tool drops, which can also be dangerous to others if you're on scaffolding or ladders.

Designed to work in conjunction with Radians Retractable Tethers below (Sold Separately)
