

Backdraft

Safety Glasses

Premium Series

Specification Sheet

PRODUCT DESCRIPTION:

The Backdraft® eyewear offers a lightweight, contoured frameless design that is sure to keep you safe and comfortable on and off of the job! It features unique soft TPR internal side shields for an added layer of protection from particles or debris and also added elements of comfort and stability. The Backdraft® contains no metal so is a great option for those applications where dielectric options are needed. Other features include our Superior MAX3™ hard lens coating, MAX6™ Anti-Fog coating, or unrivalled BossMan™ mirror coatings. Dielectric break away cord included.

FEATURES:

- Lightweight, contoured frameless design
- Internal TPR side shields
- Dielectric, no metal parts, dielectric break away cord included
- Soft, secure TPR nose pad
- MAX3™, MAX6™, or BossMan™ lens coating options
- Black TPR temple sleeves
