DROPZONE – VGSB88KIT

- CLEAR**
General purposes for indoor applications that require impact protection.
- SMOKE GREEN**
Improved contrast and clarity over a basic gray or smoke lens.
- ORANGE**
Offers high contrast and low light image resolution.
- VERMILLION**
Vermillion has a muting effect on green to bluish backgrounds. Enhances contrast while reducing all color equally for optimum color recognition.

DROPZONE comes packaged in a free standing clamshell for countertop or pegboard display.
