VMLBA

Safety Vest

Specification Sheet

PRODUCT DESCRIPTION:

MCR Safety has expanded our high visibility safety vest line to include the VMLBA. This general-purpose vest is made of 100% polyester breathable mesh material. It features a break away design with hook and loop material on the shoulders, sides and front closure that will tear away from the body should it become entangled in moving vehicles or machinery. It also has two front inner pockets to help you keep up with those items you always lose. Bright fluorescent lime color helps you stand out in environments where ANSI vest are not required.

FEATURES:

- General Purpose Safety Vest with no Reflective Stripes
- High Visibility Fluorescent Lime Color
- Breathable Mesh Material
- 5 Point Breakaway Design
- 2 Inside Front Pockets
- Non-ANSI Rated

APPLICATIONS:

Assembly Line Production, Carpentry
