AMERICANA® CLIMBING WIND VENTED TYPE II

The new Americana® Climbing Wind Type II is the ideal safety helmet to protect you in all circumstances while remaining comfortable throughout the day. Vented helmet keeps you cool all day. Mega Ratchet® one-hand tightening system allows you to easily adjust your hard hat without removing your equipment to preserve your safety. Our 4-Point nylon black suspension provides secure all-day comfort while masking discoloration from sweat and dirt. Our Type II insert protects your head from impacts from all sides.

Vented helmet

Natural convection airflow allows comfortable extended wearing.

Mega Ratchet® 4-Point suspension with Type II insert

One-handed adjustment with or without gloves.

Type II insert protects the wearer from lateral & top impacts to the helmet.

Short peak brim

Better vertical field of view for more safety.

4-Point Chin Strap Included

Durable nylon strap with woven webbing and slider size adjustments with deluxe chin guard.
