

Badger - Digital Camo Long Sleeve T-Shirt - 4184

- 100% sublimated* polyester
- Moisture management and antimicrobial performance properties
- Sport shoulder for maximum movement
- Self-fabric collar
- Double-needle stitched hem
- Badger heat transfer logo on left sleeve

*Printing on Sublimated Fabric: Printing over sublimated fabric can be achieved with ease, it's always best to contact your ink manufacturer before printing. An underbase is recommended with all inks. When curing ink do NOT exceed 320 degrees. Heat transfers are NOT recommended.
Designs: Designs with less fill and darker ink colors work best to block the pattern, lighter inks may allow the digital pattern to show through. Bold lines are recommended, fine lines will disappear into the pattern.
