

EYE & FACE PROTECTION

Conspire™ Safety Eyewear

by Honeywell

Super affordability. Super comfort.

Let us help you refresh your old safety eyewear program!

Conspire Safety Eyewear will protect you and your workforce in a whole new way, without breaking your budget. Using the exclusive North® Signature Fit™ concept profile, we have shaped the molded nosepiece and flexible temples to fit and feel great, without the need for adjustments. The full-wrap design gives unparalleled protection that confidently meets the most stringent certification standards. As lightweight on your face as it is on your budget, Conspire Safety Eyewear offers you the opportunity to update and improve your eye safety program without hurting the bottom line.

FEATURES AND BENEFITS
