

I-FORCE®

Exceeds ANSI Z87.1 High Impact Requirements; *CE EN166 Certified; *CAN/CSA Z94.3-07; *AS/NZS 1337; MCEPS GL-PD 10-12

Sporty, lightweight design eliminates the bulkiness and weight of a goggle.

Quick Release Interchangeable
Temples and Strap.

Vented foam carriage provides maximum dust protection, as well as sufficient airflow outlet for heat.

I-FORCE® SLIM

I-FORCE SLIM has all the great features of I-FORCE in a design better suited for smaller facial sizes.

Dual pane features

- Dual pane lens provides the ultimate anti-fog performance by isolating the temperature difference inside and outside of this eyewear, provides 99% protection against harmful UV rays.
- Outer polycarbonate lens protects against the environment, while inner acetate lens is designed to prevent fogging. The thermal system provides anti-fog protection in the worst weather conditions or extreme-temperature working environments.
- Outside lens is coated with H2X™ Anti-fog Technology for even more resistance to fogging, due to extreme temperatures.
