48406T

Welder Specification Sheet

PRODUCT DESCRIPTION:

This MCR Safety Welding option is made of premium grain goatskin. This supple leather contains natural lanolin that helps create a very soft feel. Characteristics include strongest tensile strength and excellent tactile sensitivity. Best combination of flexibility and comfort. The 48406T is an unlined Mig/Tig glove with a 5 inch russet split cowskin cuff for additional safety. It is Thinsulate® lined for protection in cold environments. It is also sewn with DuPont™ Kevlar®, has a keystone thumb and a self-hem sewn cuff. The TPR back offers excellent impact resistance on the fingers and back of the hand.

FEATURES:

- Premium Top Grain Goatskin
- Padded palm
- Lined with 100g Thinsulate® for protection in cold environments
- Sewn with DuPont™ Kevlar®
- 11 Inch total length including a 5 inch brown split cow leather cuff
- Keystone Thumb

APPLICATIONS:

Agriculture, Automotive, Carpentry, Construction, Farming, Heavy Equipment Operator, Landscaping, Manufacturing, Mig/Tig, Ship building, Warehousing, Welding
