

MU3624GFR

Mustang

Cut Protection Specification Sheet

PRODUCT DESCRIPTION:

Whether you're prepping a tie off or wrangling a transmission pole, you will need a glove that works as hard as you do. The men and women of the utility industry are the most dependable workers in the world. That is why they rely on an industry leader to provide the best protection for them. The top grain leather of the MCR Safety Mustang Utility field glove offers the dexterity that allows you to feel what you're working with and holds up to the abrasion better than split leather. The MU3624GFR features a premium brown goatskin leather which remains soft and comfortable during sweaty conditions. Strategically positioned second layers of premium brown goatskin in the palm, fingertips, thumb crotch, index finger and knuckle provide additional protection without sacrificing dexterity. It is double stitched with DuPont™ Kevlar® thread on all stitch lines to provide longer wear life and to prevent seam blowout and features a Kevlar® lining. The MU3624GFR has an arc rating of 24.7 cal/cm² and a Heat Attenuation Factor (HAF) of 91.3%. The Nomex® on the back of the hand for greater comfort and breathability. This field glove will provide all day protection and comfort to get the job done.

FEATURES:

- Premium brown goatskin leather
- Lined with DuPont™ Kevlar®
- Nomex® back of hand
- 4 Inch cuff
- A second layer of premium brown goatskin in the palm, fingertips and knuckle
