

TRIFECTA® KIT

The Peak of Safety and Style

- Versatile kit comes with three interchangeable lens color options – Clear, Gray and Amber
- Wide range of protection for indoor, outdoor and low light applications.
- Meets ANSI Z87.1+ High Impact Requirements and CE EN 166 Certified.

Soft, pliable rubber temple tips hold the glasses securely in place while providing comfort for extended wear.

The stylish, durable nylon frame provides exceptional impact protection.

A crush-resistant, care-free neoprene storage case is included with each kit to protect the lenses while they aren't being used.
